

45 SERIEN

Design: (1971) Rud Thygesen & Johnny Sørensen

MO 4554, MO 4564

45-serien er designet i 1970'erne og en af Magnus Olesens 'evergreens'. En klassiker, som hen over årene har præget indretninger af offentlige rum i Danmark. Den yderst stærke og stabile stol er specielt velegnede til steder, hvor der stilles ekstraordinært høje krav til styrke, holdbarhed, stabilitet, komfort samt funktionalitet.

The 45 series was designed in the 1970s and is one of Magnus Olesen's 'evergreens'. A classic that over the years has been part of a variety of public spaces in Denmark. The extremely strong and stable chair is especially suitable for places with extraordinarily high demands on strength, durability, stability, comfort and functionality.
