

SOLACIA

Design: (2015) Lone Storgaard

MO 8473, MO 8470

Solacia er den specialudviklede hvilestol, særligt velegnede til Care sektoren. Den er skabt via brugerdreven innovation i et tæt samarbejde mellem Gentofte Hospital, brugerne, Magnus Olesen og designer Lone Storgaard fra Design Concern. Solacia er i et enkelt og stringent designsprog, med behageligt let afrundede former i både polstring og træarmmlæn, tilpasset brugere, der benytter stolen over længere tid ad gangen til at hvile i.

Solacia is a resting chair especially developed and particularly suitable for the Care sector. The chair has been developed via user-driven innovation in close collaboration between Gentofte Hospital, users, Magnus Olesen and the designer Lone Storgaard from Design Concern. Solacia has a clear and stringent design, with slightly rounded shapes both in the upholstery and in the wooden armrests, adapted to users, who will sit in the chairs for longer periods of time to rest.
