

SLENDER COFFEE TABLE

Design: (2017) Antonio Scaffidi

MO 7110

Slender Coffee Table er en bordserie i massiv eg. Serien består af flere fine indskudsborde i forskellige størrelser og højder som giver et utal af kombinationsmuligheder. Designet med afrundede kanter & hjørner har det samme designudtryk som Slender bordet.

Slender Coffee Table is a sleek series of nesting tables in different sizes and a variety of heights which offer multiple combination options. Made of solid oak with rounded edges & corners the series has the same design expression as the Slender table.
