

X-LINE

DESIGNED BY NIELS JØRGEN HAUGESSEN

X-Line er en ikonisk stol designet af den danske arkitekt, Niels Jørgen Haugesen, i 1977. Konstruktionen er baseret på en simpel og logisk formgivning – heraf opstod det ikoniske X, som er en vigtig del af stolens funktion, styrke og stabilitet. Den tynde tråd i stål giver stolen et smukt industrielt udtryk, og gør den anvendelig til mange forskellige rum. Siden stolen første gang blev præsenteret i slut 70'erne, er den blevet beundret af arkitekter og kreative mennesker verden over. Stolen stabler papirstyndt 9,5 mm med 12 stk på gulv og 40 stk på vogn. Fås med dertilhørende bord.

The construction is based on a simple and logic design – where the iconic X, plays the central part of the chair's function, strength and stability. The thin steel wire gives the chair a beautiful industrial look, and makes it usable for many different spaces. Since the chair was first presented in the late 70s, it has been admired by architects and creative people worldwide. The chair stacks paper-thin 9.5 mm with 12 pieces on the floor and 40 pieces on trolley. Matching table available.

X-LINE TABLE

DESIGNED BY NIELS JØRGEN HAUGESSEN

X-Line bordet blev designet som en naturlig forlængelse af den ikoniske X-Line stol. Bordet er baseret på en simpel og logisk formgivning, der følger den minimalistiske designlinje fra den tilhørende X-Line stol. Bordets lette og enkle udførelse giver den et industrielt udtryk, og gør den anvendelig til mange forskellige rum. Fra 2022 fås bordet i fire pulverlakerede varianter, der gør den særdeles anvendelig til udendørs café- og restaurantmiljøer.

Farver: Blå, sort, hvid og brun.

// The X-Line table was designed as a natural extension of the iconic X-Line chair. The table is based on a simple and logical design that follows the minimalist design line from the accompanying X-Line chair. The table's light and simple design gives it an industrial look and makes it suitable for many different spaces. From 2022, the table is available in four powder-coated variants, which makes it particularly suitable for outdoor café and restaurant environments. Colours: Blue, black, off-white and brown.
